- Cut out your pillow front and back as usual.
- Apply welt cord to the front
- Stitch one side of the invisible zipper close to the welt cord
- Apply Rowley 3/8" double sided tape DF 37 to the right side of the other side of invisible zipper

Step 2

- Close zipper
- Fold zipper over to the front side.
- Flatten carefully
- Mark the stripes on the wrong side of the zipper.

Step 3

Remove the paper from
the double sided tape

Step 4 Back of Pillow

- Match the marks on the zipper with the stripes on the right side of the fabric and mark.
- Peel off the paper from the double sided tape and press down firmly.
- Stitch down zipper

Step 5

Finished Zipper

- Close and check that the stripes match before completing your pillow.
- Pin and stitch the other 3 sides, matching the stripes as you go.
